

Industrial & Electrical Components

Intelligent Time Relay

Part No.

HHS1-2

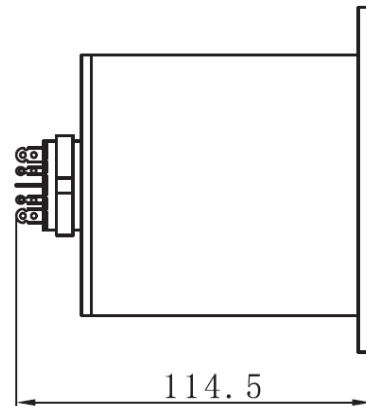

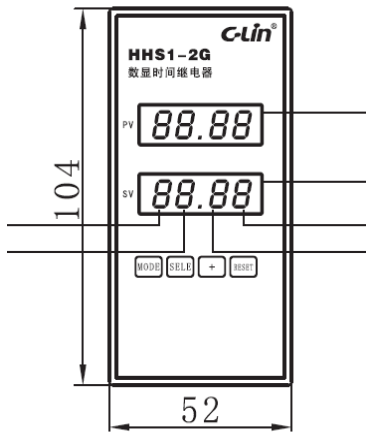

- For circuit of AC 50Hz, up to 380V or 24VDC
- As per standard GB14048.5-2008 & JB/T 10047-1999
- Long life and low consumption

TECHNICAL DATA

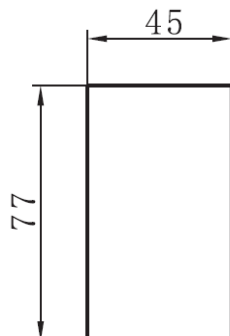

Operation Power	DC24V; AC24V、220V、380V
Delay Range	0.01S~99h99m Hour Minute Second Set
Repeat Error	≤1%
Working Mode	On-delay Time, With Memory and Without Memory are Available
Time Mode	Timing/Countdown Double Row Double Color Display

Contact Arrangement	2Z Delay With Control Reset Function
Contact Capacity	3A AC220V(Resistive)
Outline Dimension	104 x 52mm x 112mm
Cut-Out	77 x 45mm
Mounting Mode	Panel Type
Electrical Life	1X10 ⁵
